

Marine Technician/Mechanic

Rayglass Boats is New Zealand's leading fibreglass powerboat builder.

An expanding workload sees us seeking applicants to fulfil roles in our service department in Mt Wellington.

While a trade certified marine technician/mechanic, with own tools is preferable, we will consider applicants with similar qualifications/experience from the automotive industry.

Full time position Mon-Fri 8.00am to 4.30pm (some overtime)

Duties will include:

- Installation/fitting stern and outboard engines (petrol and diesel)
- Servicing, repair and all aspects of general maintenance of the same
- Installation and repairs of electrical components
- Other general maintenance associated with boat servicing

Applicants are required to have NZ residency or a valid NZ work permit. Please apply with a covering letter and up to date CV
